### **INSURANCE**

Cornerstone Academy has arranged for specially designed international exchange medical insurance policy on behalf of our international students. This temporary medical insurance is for international travelers temporarily outside their home country while attending school at Cornerstone Academy. The insurance coverage includes accident/medical expenses, medical evacuation, repatriation of remains, and accident death and dismemberment.

### **GUARDIANS**

All international students are required to have a local guardian in the U.S. In case of an emergency, Cornerstone Academy must have a guardian who is an adult family member or trusted family friend who lives in the United States (preferably in Northern California). The guardian is responsible for all school business, communication, transportation and housing of student during emergencies, disciplinary action, and/or vacations. If no local guardian is available, Cornerstone Academy will be your guardian.
